

Amendments to the Specification:

Page 30:

Please substitute the following paragraph for the paragraph beginning at line 8:

As shown in FIG. 11, the spacer ~~[[11]]~~ 10 made from a sphere is formed with the two concave surfaces 11. The section of each concave surface 11 may be formed of two circular arcs of which central positions deviate from each other to form a Gothic arch, or it may take other configurations. The spacer 10 is constructed to contact the ball 5 at contact points indicated by the numeral 20.
